

THEATRES

GRAND THEATRE

Fritzi Brunette, whose sincere dramatic work thrilled the thousands who saw "Playthings," is starring at the Grand Theatre in a Bluebird photodrama that will hit life's sympathy on your heartstrings.

It is called "The Velvet Hand," and is a story of an Italian peasant girl who swore the oath of the vendetta to kill the man who slew her brother.

How she found a great love in the brambles of life and how she changed her oath at the last minute forms the theme of this delightful photodrama.

Fritzi Brunette was not known as a Bluebird star before "Playthings" was filmed. Now she is a sincere friend in every person who saw her dramatic revelation of a woman's soul.

Her personal charm and drawing power is greatly enhanced in "The Velvet Hand" by the sterling dramatic work of the play.

Also big Western show.

RICHMOND THEATRE

Theda Bara in the William Fox super-production, "The Siren's Song" will feature the program for today at the Richmond Theatre.

"The Siren's Song" is a powerful dramatic picture that tells in a new way the story of the eternal struggle of woman's love and sacrifice. Miss Bara portrays a little girl of Brittany, who is brought up in an environment of religious severity.

"The Siren's Song" is a remarkable drama, which offers Miss Bara exceptional opportunity to exhibit her great versatility.

CUT THIS OUT

Special Notice: Dr. Frederick Jacobson says that phosphates are just as essential to any woman who tires easily, is nervous or irritated, worn out or looks haggard and pale, to make a strong, robust, vigorous, healthy body, as they are to make corn, wheat or any vegetable plant grow strong and healthy. The lack of phosphates is the cause of all endemic conditions and the administration of 5-grain Argo-Phosphate Tablets will increase the strength and endurance 500 per cent in a few weeks time in many instances. Dispensed by Richard Gibson and The Rexall Store. STATEMENT OF THE OWNERSHIP.

2.75 BEER DEFENDED

Justice to Poor, While Rich Have Cellars Full of Wine.

Philadelphia, June 21.—The poor man's 2 3-4 per cent. beer, "without a kick," is defended by the Rev. Dr. Russell H. Conwell at Grace Baptist Temple, Broad and Berks streets.

Beer as long as it gives "strength and comfort and is not intoxicating," is not opposed by Dr. Conwell. He called it an injustice to take away "the poor man's beer while the rich have their cellars filled with wines."

"As a church," he said, "we believe in temperance out and out, but we don't believe in this very unjust condition of things when the rich can fill their cellars for months and months ahead with liquors and the poor man cannot have his 2 3-4 per cent. beer after July 1. The whole thing is wrong."

"The churches are not opposed to the poor man having his 2 3-4 per cent. beer if that beer is not intoxicating."

CAMPAIGN AGAINST TOBACCO

Pittsburgh, Pa., June 21.—Plans for a nation wide anti-tobacco campaign, intended to follow the actual promulgation of prohibition, were

yesterday given a setback here when Judge James McF. Carpenter handed down an opinion in Common Pleas Court refusing to grant a charter to the No-Tobacco Corporation. Petition was signed by prominent church people and ministers of this and other cities of the country.

In his opinion Judge Carpenter said the law creating organizations with judicial sanction, in the form of granting charters, was not intended to provide for the incorporation of associations for the promulgation and propagation of theories.

ASKS DRY PLEBISCITE

"General" Coxey Says Prohibition Won Without Giving Soldiers Vote

"Gen." Jacob E. Coxey, of Ohio, who twenty-five years ago led an army of unemployed men to this city, declared himself in favor of the initiative and referendum on the prohibition question last night at the meeting of the board of representatives of Local Union No. 2, National Federation of Federal Employees in Washington.

"Gen." Coxey accused the dry element of taking advantage of the absence of the soldiers overseas in "putting over" the prohibition amendment to the constitution.

His mission now, he stated, was to urge Congress to pass a law whereby the people could recall their representatives in Congress at will.

Marinettes, yeomen (f) and naval reservists in general came up for consideration with regard to their transfer from military to civil employment.

A bill now in Congress provides their gradual transfer to the civil service at equal rates of pay, it was stated, and requires each one to pass a civil service examination.
